# 2009 Business Migrant Awards

**We are pleased to announce that nominations are now open for *Migration for Business Growth's* 2009 Business Migrant Awards**

The Awards are proudly supported by Business SA, *Migration for Business Growth* and the Department for Trade and Economic Development through its business unit Immigration SA. They recognise the business and personal achievements of business migrants in South Australia.

We encourage nominations from the business migrant community for the following awards:

- 1. Effort Award - Export Business** – for a business or individual business migrant who has shown outstanding effort in commencing or running an export business in South Australia.
- 2. Effort Award - Local Business**– for a business or individual business migrant who has shown outstanding effort in commencing or running a local business in South Australia.
- 3. Marketing Award** – for a business or individual business migrant who has implemented innovative and outstanding marketing activities - including branding, advertising and promotion.
- 4. Award for significant contribution to the business migrant community** – for an individual business migrant who has made significant contribution the business migrant community.

Nominations can be made by self nomination or by a third party. To nominate yourself or a business migrant (they may be a friend, family member or workmate) you think is worthy of an award, simply complete the application form attached and return to us by close of business **Friday October 9, 2009**.

**\* Business Migrant** means migrants on provisional business visa subclasses 160-165 and residence visa subclasses 132, 890-893 whose intended residence is South Australia. Only business migrants, or businesses owned by business migrants, that meet these criteria will be accepted.

Judging will be conducted by an expert panel including representatives from leading South Australian companies, *Migration for Business Growth* and Immigration SA.

Award winners will be announced at the:
