The Department of Trade and Economic Development creates and implements policies and initiatives strategically designed to increase the economic prosperity of South Australia.

It works with business and industry across the State to foster an attractive environment for investors, business owners and employees, introducing policies that create and retain jobs, support investment, encourage creativity and innovation, and promote the State nationally and overseas. www.southaustralia.biz

business.gov.au offers you simple and convenient access to all the government information, transactions and services you need. It's a whole-of-government service providing essential information on planning, starting and running your business. www.business.gov.au
